

Usa la línea de números para expresar la desigualdad.

Ej)  $X \leq 115$

1)  $X \geq -150$

2)  $X \geq 20$

3)  $X \geq 1$

4)  $X > 50$

5)  $X \leq 11$

6)  $X \geq 10$

7)  $X \geq -120$

8)  $X < -9$

9)  $X \geq 30$

10)  $X \geq -20$

11)  $X \leq -135$

12)  $X \leq -18$

13)  $X > 11$

Usa la línea de números para expresar la desigualdad.
